

FAQs

1. What is Walkies Together?

Walkies Together is a virtual walking challenge taking place throughout October, where you and your dog will walk 44 miles to help raise funds and awareness for those affected by bowel cancer. You and your dog can participate wherever and whenever it suits you and complete the challenge at your own pace.

2. How do I sign up?

It's free to sign up and you can register by joining our **Walkies Together Facebook group**, heading to our 'featured post' and clicking the sign-up link and filling out a short form.

3. Do I need to complete my challenge in a certain time?

No, you can walk whenever you like – during the school run, on your lunch break, or over the weekend, any dog walk counts.

4. How do I fundraise?

When you fill out the form to sign up, it will automatically create a JustGiving or Facebook fundraising page. You'll be able to then share this page with your family and friends and begin receiving donations. You can also use our **Sponsor Form** and collect donations the old-fashioned way.

5. What will I receive upon signing up?

You'll receive a doggy bandana after you receive your first donation on your fundraising page. Please expect up to ten working days for this to arrive.

6. What other gifts will I receive during my fundraising challenge?

- Doggy bandana after receiving your first donation, this can be any amount.
- **Raise £100** to receive a branded dog collar tag.
- **Raise £300** to receive a branded drawstring bag.

7. When should I expect to receive my gifts after hitting milestones?

All items will be posted out to you 2nd class and tracked within 7-10 working days. If you haven't received yours after 10 days, please email: community@bowelcanceruk.org.uk

8. How can I join the Walkies Together Facebook group?
